### NEW MARKET INITIATIVE RATE

NMI work shall be classified as: New construction or renovation of buildings 50,000 square feet or less including, but not limited to, fast food restaurants, strip stores, gas stations, medical or dental suites not owned or leased by a major hospital corporation, convenience and party stores, industrial park buildings, retail or office buildings or tenant work. Any other projects, regardless of scope, ownership, intent of use or construction method by mutual written consent where projects include evidence of non-signatory bidders shall be governed by the NMI wage package.

This wage rate shall not apply to any work covered by the National Maintenance Agreement, General President's Agreement, Project Labor Agreement and Michigan Prevailing Wage Law; however, if the Michigan Prevailing Wage Law is repealed or amended or is no longer in force, the NMI schedule of wages will apply to public buildings governed by that statute.

The total package wage of all NMI Laborers classifications, including apprentices, shall be 20% less than the Construction Laborers' total package.

Employer will make a reasonable effort to notify the Local Union when the NMI rate is used.
